### Colorado Parka

A versatile full cut reversible down jacket that utilizes high quality 650 fill power down and 2 very unique light weight fabrics. Two different face fabrics (40 denier full dull & 20 denier nylon) allow for two very different looks; town or trail.

Ballistic

● An extra layer of nylon has been included to increase wind resistance and optimize heat retention.

A: Adjustable hood

B: Exterior (40D nylon) ; one zippered chest pocket with two zippered hand warmer pockets

C: Draw cords for hem adjustment hidden in pockets

D: Interior (20D nylon) ; one zippered chest pocket with two zippered hand warmer pockets
